

Climate Action Cohort Workshop 5

Tuesday, January 16, 2024

This initiative is offered through the Municipal Asset Management Program, which is delivered by the Federation of Canadian Municipalities and funded by the Government of Canada.

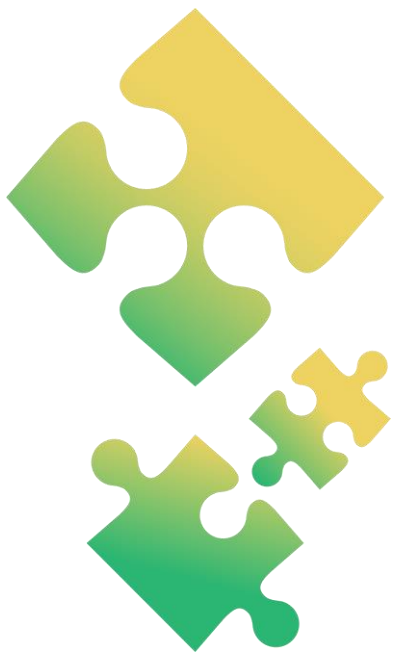

Stage Setting

- This workshop is different!
 - Shorter
 - Specific to Natural Assets
 - Collaboration between CNAM and Natural Assets Initiative (NAI) at the end of MAMP
- Some time with your team, some time in breakouts with others
- Slightly more time than usual on facilitated content (there's LOTS to learn about NAM)

Facilitation Team

- Urban Systems
 - Christina, Laura, Kelsey
- Natural Assets Initiative (NAI)
 - Donna, Roy

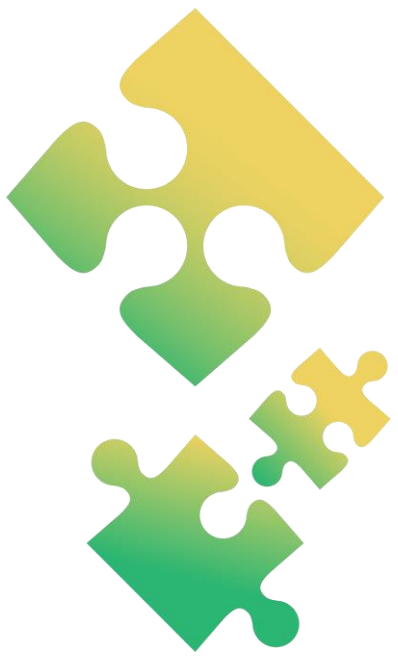

Welcome and How Have You Been?

10 Minutes with your Team

Next Steps: Check-in Support!

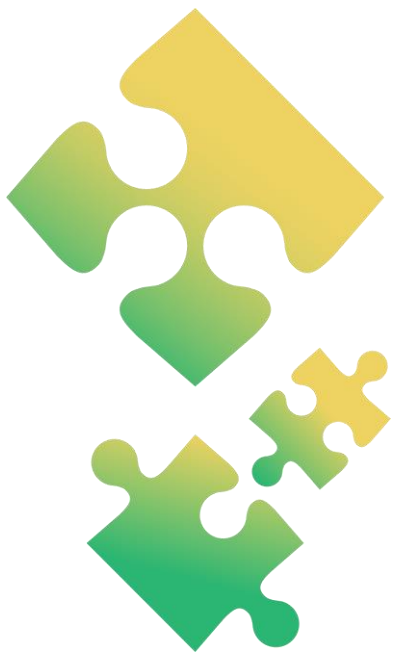

- Up to 2 hours of time
- Scheduled before the end of February
- Topic?
 - You tell us!
 - ... and, a quick review of your AMRS (FCM requirement)
- More information will be sent early next week
